

THE GET MOVING HOLIDAY TOY DRIVE 2023

Each year, UACDC's Get Moving program collects toys for community families in need. Please help us give University Area children a joyous holiday season by donating NEW items for ages 3-16. We will collect items through December 19th and distribute them to families on December 21st. While we cannot accept food for this particular initiative, the following is a list of suggested items:

WISH LIST ITEMS:

- Dolls and Doll Accessories
- Lego Sets (*small & medium sizes*)
- New Bikes (All Ages)
- Puzzles and Games
- Sports Balls
- Action Figures
- Tablets
- Earbuds
- Stuffed Animals
- Art Supplies
- Toy Cars

GIFT CARDS THAT GIVE:

Many of our families would like the opportunity to *purchase* gifts for their children, and many of our teenagers are in need of more specific items. It is our desire to accommodate these families by providing gift cards to help fill the need.

PREFERRED CARDS: AMAZON, WALMART AND TARGET
