15th Annual Paint the Town University Area Community

SATURDAY - JANUARY 16, 2027

GREAT VOLUNTEER OPPORTUNITY FOR CORPORATE GROUPS!

JOIN UNIVERSITY AREA CDC AND HUNDREDS OF VOLUNTEERS FOR OUR ANNUAL DAY OF SERVICE HONORING THE LEGACY OF DR. MARTIN LUTHER KING, JR.

PAINT THE TOWN 2027

MLK Day is a "day of service," which emphasizes the idea that individuals have a responsibility to contribute to their communities. By volunteering with UACDC's Paint the Town event, individuals can directly impact those around them and reinforce the idea that collective action can create meaningful change. This event also provides an opportunity to teach younger generations about the importance of service, activism, and civic responsibility. When youth see adults giving back to their communities, it can inspire them to continue that work and carry forward the ideals of equality and justice that Dr. King championed.

For this event, we partner with businesses, government agencies, religious groups, student organizations, service clubs, and other caring individuals who are willing to roll up their sleeves to make a difference. Whether it's landscaping, planting flowers, painting murals, repairing fences, painting homes, litter pick up, or home repairs, Paint the Town impacts the entire community by restoring neighborhood pride, increasing property values and bringing community members together to improve the University Area. We hope you will make plans to join us!
